When I was young, I'd listened to the ra-di-o, waiting for my favorite songs.

When they played, I'd sing a - long. it makes me smile. Those was

such happy time, but not so long a - go, how I wondered where they'd gone. But they're

back a - gain, just like a long lost friend. All the songs I loved so well. Eve - ry

shala la la Every wo o wo o still shines. Eve - ry shing a ring a ring that they're

startin' to sing so fine. When they get to the part Where he's breakin' her heart It can

rea - lly make me cry just like be - fore. It's yesterday once more.
